Veronika Decides to Die book pdf download - Paulo Coelho In his latest international bestseller, the celebrated author of The Alchemist addresses the fundamental questions asked by millions: What am I doing here today? and Why do I go on living? Twenty-four-year-old Veronika seems to have everything she could wish for: youth and beauty, plenty of attractive boyfriends, a fulfilling job, and a loving family. Yet something is lacking in her life. Inside her is a void so deep that nothing could possibly ever fill it. So, on the morning of November 11, 1997, Veronika decides to die. She takes a handful of sleeping pills expecting never to wake up. Naturally Veronika is stunned when she does wake up at Villette, a local mental hospital, where the staff informs her that she has, in fact, partially succeeded in achieving her goal. While the overdose didn't kill Veronika immediately, the medication has damaged her heart so severely that she has only days to live. The story follows Veronika through the intense week of self-discovery that ensues. To her surprise, Veronika finds herself drawn to the confinement of Villette and its patients, who, each in his or her individual way, reflect the heart of human experience. In the heightened state of life's final moments, Veronika discovers things she has never really allowed herself to feel before: hatred, fear, curiosity, love, and sexual awakening. She finds that every second of her existence is a choice between living and dying, and at the eleventh hour emerges more open to life than ever before. In Veronika Decides to Die, Paulo Coelho takes the reader on a distinctly modern quest to find meaning in a culture overshadowed by angst, soulless routine, and pervasive conformity. Based on events in Coelho's own life, Veronika Decides to Die questions the meaning of madness and celebrates individuals who do not fit into patterns society considers to be normal. Poignant and illuminating, it is a dazzling portrait of a young woman at the crossroads of despair and liberation, and a poetic, exuberant appreciation of each day as a renewed opportunity. Jump to ratings and reviews» No dia 11 de Novembro de 1997, Veronika decidiu que havia - afinal! - chegado o momento de se matar.» É assim que começa o romance de Paulo Coelho, Veronika é uma jovem eslovena que decide suicidar-se, cansada que está da vida que leva. Salvo no último instante, dá entrada num hospital psiquiátrico. Ai conhece Zedka, internada por depressão, transformada à custa do tratamento numa "mulher louca" e feliz; Mari, advogada que integra o grupo A Fraternidade, organizador de palestras sobre a meditação sufi, e parte para a Bósnia em missão humanitária em busca de aventura; Eduard, um jovem belo e rico que se faz passar por esquizofrénico; e o Dr. Igor, o psiquiatra do hospital. O autor, que esteve em Portugal para o lançamento do livro, revelou ele próprio ter estado internado num hospital psiquiátrico, experiência que lhe valeu para a escrita desta obra sobre a loucura. E também sobre o amor e a sabedoria, as relações com os outros, atravessada pelo esoterismo. The Brazilian author PAULO COELHO was born in 1947 in the city of Rio de Janeiro. Before dedicating his life completely to literature, he worked as theater director and actor, lyricist and journalist. In 1986, PAULO COELHO did the pilgrimage to Saint James of Compostella, an experience later to be documented in his book The Pilgrimage. In the following year, COELHO published The Alchemist. Slow initial sales convinced his first publisher to drop the novel, but it went on to become one of the best selling Brazilian books of all time. Other titles include Brida (1990), The Valkyries (1992), By the river Piedra I sat Down and Wept (1994), the collection of his best columns published in the Brazilian newspaper Folha de São Paulo entitle Maktub (1994), the compilation of texts Phrases (1995), The Fifth Mountain (1996), Manual of a Warrior of Light (1997), Veronika decides to die (1998), The Devil and Miss Prym (2000), the compilation of traditional tales in Stories for parents, children and grandchildren (2001), Eleven Minutes (2003), The Zahir (2005), The Witch (2006) and Winner Stands Alone (to be released in 2009). During the months of March, April, May and June 2006, Paulo Coelho traveled to celebrate the 20th anniversary of his pilgrimage to Saint James of Compostella in 1986. He also held surprise book signings - announced one day in advance - in some cities along the way, to have a chance to meet his readers. In ninety days of pilgrimage the author traveled around the globe and took the famous Transiberian train that took him to Vladivostok. During this experience Paulo Coelho launched his blog Walking the Path - The Pilgrimage in order to share with his readers his impressions. Since this first blog Paulo Coelho has expanded his presence in the internet with his daily blogs in Wordpress, Myspace & Facebook. He is equally present in media sharing sites such as YouTube and Flickr, offering on a regular basis not only texts but also videos and pictures to his readers. From this intensive interest and use of the Internet sprang his bold new project: The Experimental Witch where he invites his readers to adapt to the screen his book The Witch of Portobello. Indeed Paulo Coelho is a firm believer of Internet as a new media and is the first Best-selling author to actively support online free distribution of his work.
